Rooted Family Week 6

Readings: Genesis 2:15; 1 Chronicles 15:16; Judges 1:19; Psalm 20:7; 2 John 12; Psalm 115:4-8; Genesis 3:17-18; Revelation 21:1-2

1. When you hear the word “technology” what kinds of things do you normally think about? How did this message broaden the definition for you?
2. Do you generally think of technology as positive, negative, or neutral?
3. Many of you have grown up in a world where all of this is normal, but how have you seen technology shape or affect relationships?
4. Why is it important to not simply be negative about technology but to see it as a gift from God?
5. What are some ways technology pushes back the results of the fall?
6. What are some good habits for us to develop to redeem our use of technology?
