Anything for the Gospel Acts 14

Acts 14 concludes the first missionary journey of Paul and Barnabas. We saw them preach mainly to a Jewish audience (or those that had knowledge of Israel's God) in Acts 13. Now in Acts 14 we see the gospel go for the first time to people who had no reference point for the God of Israel. In Paul's short sermon, he shows us how to share the gospel with people who do not have previous knowledge of our God. This is immensely helpful as we seek to reach those around us.
