Song

Isn't She Lovely

Isn't she lovely
Isn't she wonderful
Isn't she precious
Such a beautiful soul
Vi Look what God has done
I might be the luckiest one
Isn't she lovely
She's my mom

Isn't she pretty
truly the angels best
And I'm so happy
Va I have been heaven blessed
Look what God has
I might be the luckiest one
Isn't she lovely
She's my mom
Isn't she lovely
She's my mom
Isn't she lovely
She's my mom

(Goes into A Mother's Love)

A Mother's Love

Thank you for watching over me
all of the sleepless nights you lay awake

Thank you for knowing when to hold
me close and when to let me go

Thank you for every stepping stone
and for the path that always
leads me home

I thank you for the time you took
to see the heart inside of me

Chorus:

^{wmm} You gave me the roots to start this life

And then you gave me wings to fly

And I learned to dream because
you believed in me

There's no power like it on this
earth

no treasure equal to its worth

the gift of a mother's love

I thank God for a Mother's Love!

More Than Enough

V1
Maybe I'll never know
the love it takes
To make ^{me a} happy home
That's warm and safe
And maybe I'll never see
how you pray for my every need
And wonder what more you
could do for me

chorus:

But when you walk by my side
Read me stories at night
And teach me to trust in God's love
You give me a hug maybe two
And you say I love you
And I think you're doing enough

V2 Maybe you wonder if you're teaching me
Every good thing ^{that} I can ^{someday} be
But all that I know of faith
And of kindness and love and strength
I've learned just by watching you
every day

chorus:

So as you walk by my side
Hear my stories at night
And teach me to trust in God's love
Give me a hug maybe two
And I say I love you
And I think you're doing enough

V₃ Someday I'll have a home a family
And I'll love them just as much as you love
me
Then maybe you'll finally see
you have given enough for me
A gift that will last through eternity

Chorus:

So when you walk by my side
hear my stories at night
And teach me to trust in God's love
Give me a hug maybe two
And you say I love you
And I think you're more than enough
And I'm blessed every step by your love.
