Questions from the text

- How does Paul explain the role of grief in leading to repentance and spiritual growth?

Cross Reference

Application Questions

- V. 12 mentions Paul's intention in writing an earlier letter. How can knowing someone's motive affect how we receive correction or critique?
- Why do you think Paul emphasizes the refreshment and joy Titus received from the Corinthians? What does this say about mutual encouragement within our Christian community (e.g. small groups)?

As we look in Scripture, we see ways we are directed to surrender to Christ, be a part of his biblical community, and participate in his mission.

- How do godly relationships and encouragement sustain those in ministry or missions? What's a way your small group could live this out this week?
