Core Value: Surrender

As we look in Scripture, we see ways we are directed to surrender to Christ, be a part of his biblical community, and participate in his mission.

- The people of God had been disobedient to him in the chapters prior to this. But their response to God's request for building materials and skilled work was not out of obligation or penance. Rather, it was made out of generosity. They willingly gave to God. How might we feel obligated to give ourselves to God? What does that look like? How can we shift our outlook on giving out of generosity instead of obligation?
